Re: Committee Number C00498907

To Whom It May Concern:

This letter is in response to the Commission's request for information dated March 9, 2012. The commission requested further information regarding three contributions received by our Committee from political committees not registered with the Federal Election Commission.

Using a reasonable accounting method two of the committees (Christensen for Legislature and John Wightman for Legislature) have received sufficient federally permissible funds to make the contributions to our Committee.

The third committee, Lydia Brasch for Legislature, felt they were able to sufficiently account for only a portion of the contribution (\$400) being federally permissible. On January 29, 2012, when our Committee became aware of the discrepancy, the difference of \$600 was returned to Lydia Brasch for Legislature. This refund of contribution will be reflected on the 1<sup>st</sup> Quarterly report of 2012. Please find a photocopy of this refund check attached.

Please feel free to contact the Committee if there are further questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert B. Evnen", is written over a faint, circular official seal of the Federal Election Commission.
